Brad has been working on the hot issues paper this week. Have you seen that?

This needs some fresh ingredients up. On most if not all points like IB. section. Can we include any recent directions work plan to prp. Also something on ag orders

We need something to Monday

Subject: Westlake Landfill

Hi Mark

We are getting ready for the Senate Appropriations Hearing next Wednesday and believe Sen. Blunt may ask Gina about Westlake.

Would it be possible to have your folks send a fact sheet with the latest information.

I believe your team has also provided a Doe Run fact sheet.

Thanks

Ed
